

Scope & Sequence

Switched-On[®]
SCHOOL EDITION 2.0 R²

Switched-On Schoolhouse 2.0 R² 2006 School Edition comes complete with a full, multimedia-enriched curriculum for grades 3–12 (levels 300–1200) in five core subjects and electives. This set of over 50 grade-level subjects resides on a hard drive that you received with the SOS application. The installation section of the reference guide gives you instructions in how you can install these materials on the server you are using to run your SOS school.

The following scope and sequence section provides a detailed list of all assignments by subject, unit, and assignment title, giving you a chance to get a bird's-eye view of the SOS materials available for you to use in putting together your educational program.

The scope and sequence section covers the following:

- Bible 300–1200
- History and Geography 300–1200
- Language Arts 300–1200
- Mathematics 300–1200
- Science 300–1200
- Electives

Additionally, you can view all curriculum subjects from SOS Teacher under Administration/Curriculum Setup.
